

Spring Intergenerational event

Saturday 27th April
10am - 1pm

Islington Ecology Centre N5 1PH

Celebrating community and nature. we'll be looking for bugs and plants to take part in the City Nature Challenge, enjoying crafts, live music, meeting some interesting animals with ZooLab and we have a talk on Spring Pollination!

Free food and hot drinks. Event will be both inside and outside. It is wheelchair accessible.

To book a ticket, email activities@ageukislington.org.uk or ring 020 7281 6018
